Web Programming
Software Knowledge (Visual
Studio, MSVC, Git, office
software, etc.)
Unquenched Curiosity

Objective

An eager college student with ambitions in the world of computer science who is ready to start a successful career of software development and / or Information Technology.

Experience

June 2021 – Aug. 2021
Information Technology Assistant • Hamer Enterprises (HECORP)

- Successfully inventoried the equipment of an entire office.
- Assisted an IT Specialist with the installation of an IBM server system over several days.
- Restored and optimized a demo kiosk intended for presentations.

Oct. 2021 – Aug. 2022
Server • Chili's (Brinker International)

- Ensured beyond satisfactory customer experience in even the busiest of times.
- Thrived by cooperating with a team, both in front and behind the scenes.

May. 2023 – Present
Server • BJ's Restaurant and Brewhouse

- Play a part of the team, about 20 hours a week even while being a full-time university student.
- Reliable to be called upon when needed (e.g., sudden high guest influx and weekly discount days)

Hobbies and Interests

- Learning about a variety of technologies such as Lua and UEFI
- Maintaining my website (see Contact)
- Developing Windows software, including a 3D game engine (see website for details)
- Attending and participating in the A&M Cybersecurity Club and Cisco Networking Academy

Certifications

- Currently pursuing a CCNA through the Cybersecurity Club
- Pursuing a CompTIA A+ next summer
