## Electrical Engr. Student

### Contact

grayson@graysonriffe.com  
Arlington, TX  
817-687-8255  
[graysonriffe.com](http://graysonriffe.com)

### Education

Texas A&M University  
College Station, TX  
Pursuing a BS  
in Electric Systems Engineering  
Technology (ESET) with a minor in  
Cybersecurity  
GPA – 3.685

### Key Skills

- Comprehensive understanding of electronic systems, from hardware to software
- Systems and application programming
- Software Knowledge (Visual Studio, MSVC, Git, office software, etc.)
  - Reliable and punctual
- Efficient time management

### Profile

Enthusiastic engineer with a wide background electrical engineering, software development, and information technology. Years of tinkering experience with software and hardware fueled by the ever-important skill of problem solving. Previous IT experience in an office environment. Certified technician.

### Experience

*June 2021 – Aug. 2021*

Information Technology Assistant • Hamer Enterprises – Fort Worth, TX

- Assisted an IT Specialist with the installation of an IBM server system over several days.
- Restored and optimized a demo kiosk intended for presentations.
- Successfully inventoried the equipment of an entire office.

*Oct. 2021 – Aug. 2022*

Server • Chili's (Brinker International) – Arlington, TX

- Ensured beyond satisfactory customer experience in even the busiest of times.
- Thrived by cooperating with a team, both in front and behind the scenes.

*May. 2023 – Present*

Server • BJ's Restaurant and Brewhouse – Arlington and College Station, TX

- Play a part of the team, about 20 hours a week even while being a full-time university student.
- Reliable to be called upon when needed (e.g., sudden high guest influx and weekly discount days)

### Hobbies and Interests

- Learning of a variety of technologies such as Lua, UEFI, and Vulkan
- Maintaining my website
- Developing various software, including a 3D game engine
- Reading Wikipedia and technical manuals (No, really!)

### Certifications

- CompTIA A+ – Verification Code – X8FH0WJ63F44QCS1
  - Certified Computer Technician
  - Hardware and Software Troubleshooting
  - Computer Network Design
  - Operating System Fluency
  - Cloud Computing and Virtualization

### Honors and Awards

- McFadden Scholarship – Awarded Aug. 2022
  - From the TAMU Scholarship Handbook: "McFadden Scholarships are offered to the most competitive students who are residents of Dallas or Tarrant counties based on academic and co-curricular achievement."
